

2023-24 Events Hiring Package

The Queen's Computing Students' Association

Who We Are

COMPSA is the student government for the school of computing at Queens. Our goal is to provide a strong and diverse community within the School of Computing at in order to foster collaboration, and friendships that will last beyond our time at Queen's.

We hope to find passionate individuals who want to be part of our community and help spread the goodness of COMPSA throughout Queen's and the School of Computing !

What is the Events team

The events team creates and organizes all social events in the School of Computing. This includes the start-of-year-bbq, to the end of year formal, and everything in between.

This team ensures that everyone in the school of computing feels that they are part of a community.

What we are looking for in new Events members

We are looking for passionate and exited individuals who want to organize and spread the word about COMPSA events. Over the past few years our events have been lacking, so we are looking for people who want to breathe new life into our Computing events!

Interests include:

- Communications
- Event planning
