

2023-24 Professional Development Hiring Package

The Queen's Computing Students' Association

Who We Are

COMPSA is the student government for the school of computing at Queens. Our goal is to provide a strong and diverse community within the School of Computing at in order to foster collaboration, and friendships that will last beyond our time at Queen's.

We hope to find passionate individuals who want to be part of our community and help spread the goodness of COMPSA throughout Queen's and the School of Computing !

What is the Professional Development team

The PD Team at COMPSA is responsible for finding and organizing events to further the professional ambitions of students in the School of Computing.

If you are interested in networking or finding more opportunities for your professional life, this is the place for you!

What we are looking for in new Professional Development members

We are looking for passionate and committed students who are willing to reach out to companies and sponsors in order to gain funding for the association as well as provide opportunities for real world experience to the School of Computing.

Interests include:

- Networking
- Communications
- Professionalism

Conclusion
