2023-24 Internal Affairs Hiring Package

The Queen's Computing Students' Association

Who We Are

COMPSA is the student government for the school of computing at Queens. Our goal is to provide a strong and diverse community within the School of Computing at in order to foster collaboration, and friendships that will last beyond our time at Queen's.

We hope to find passionate individuals who want to be part of our community and help spread the goodness of COMPSA throughout Queen's and the School of Computing !

What is the Internal Affairs team

The internal affairs team handles all internal operations of COMPSA. This includes managing file repositories, the association calendar, and taking minutes at meetings and General Assemblies. In addition, the Internal Affairs team manages the General Assemblies – where all computing students can have a say in the operations of The Association.

The Internal Affairs team is the Metronome of the Association, keeping everyone else on-beat.

What we are looking for in new Internal Affairs members

The internal affairs team is looking for passionate and detail-oriented individuals who have a desire to make our systems more efficient and consistent. We hope that through this we can make COMPSA a more effective student government – meaning we can do more fun things like events and formals!
